Materials of up to 2GB can be successfully provided via a download. In addition, the publication of files on a disk is possible. In this case there will be additional costs based on volume and shipping charges. The additional costs are as follows:

per hard drive (1 TB)	100,- Euro (+20,- Euro shipping)
per DVD	5,- Euro (+ 6,- Euro shipping)

- If the requested materials do not exceed 2 GB, they can be downloaded without additional deployment costs (standard process)

- If the requested materials exceed 2 GB and fit on a DVD, we save them on a data disc and send it to you by post (unless something else is indicated in the application form)

- In the rare case that the requested materials exceed the capacity of a DVD, we save them on an external hard drive and send it to you by post.

The data storage device (DVD or hard drive) may also be provided by the user, so that only shipping costs incur.

The total sum will be calculated according to your statements in the application form. It will be noted in the license agreement for the use of material from the archive "Forced Labor 1939-1945".
